

FACULTAD DE DERECHO

On behalf of the Faculty of Law of the University of Seville, I would like to express my great sadness by the passing of Professor Sir Bob Hepple.

Professor Hepple was not only a respected lawyer, teacher and scholar, but also a tireless activist and campaigner who devoted his life to the struggle for social justice.

The Faculty of Law of the University of Seville had the honour of inviting Professor Hepple as a visiting lecturer on March 2015.

His dedication and contribution to the issue of civil rights, liberties and equality law will be an inspiring example for the future generations of lawyers.

With sincere regards,

Prof. Dr. Dr. hc. Alfonso Castro Sáenz

Dean of the Faculty of Law. University of Seville
